ACADEMIC STUDIES WITH FOOTBALL TRAINING

This is an exciting course aimed at male and female students who are 14 years of age and over who have a passion for football. This offers the chance to study A levels or the International Foundation Programme whilst having football training on weekday afternoons.

This new programme is a unique opportunity for students to gain qualifications for entry to university alongside intensive football training which could lead to playing professional or semi-professional football in the future. Football training is added to students' timetables without impacting on the core study requirements to gain their qualification.

In the background, several male students in white lab coats are also working at lab benches. The lab is equipped with various glassware, including flasks and beakers, and metal stands. A red tray is visible in the bottom right corner.

WHAT ARE THE ACADEMIC COURSE OPTIONS?

Students will be able to choose from the following educational pathways depending on prior attainment and level of English if not from the UK:

A LEVELS (2 OR 3 YEARS)

- Biology, Chemistry Mathematics and Physics (three from)
- Business Studies, Economics and Mathematics

Dependent on subjects we may accept students onto the second year of A Level if they have already completed their first year elsewhere.

INTERNATIONAL FOUNDATION PROGRAMME (1 OR 2 YEARS)

- Business Pathway
- Science Pathway

Students wishing to access the One Year International Foundation Programme must already have the equivalent of the first year of Level 3 study in their home country and an overall IELTS for UKVI score of at least 6.0.

These pathways will equip students to apply to a wide range of universities to pursue Science or Business related courses which could link to their sporting aspirations or they could apply for courses unrelated to sport. The subject combinations and qualifications offered allow students great flexibility as they move forward. Students will be taught in small classes (a maximum of 12 in each) and follow the routine and rigour of all Abbey College Manchester programmes.

GCSES (1 YEAR)

Most subjects can be taken with this option.

1 OR 2 TERM PROGRAMMES

Students who wish to only access a course for a shorter period of time should contact the college to find out the subjects that are available.

WHAT IS THE DAILY ROUTINE?

Students will have academic classes each weekday from 9.00am until 12.40pm at the Abbey College Manchester campus on their chosen academic programme.

Two hour football training sessions will be delivered each afternoon by professional and experienced coaches. Please note that students who are undertaking One Year Programmes will attend the football training on three afternoons each week.

Students will have the option to undertake fitness programmes during the late afternoon or alternatively will be able to attend study/booster classes in the college.

WHERE DO STUDENTS LIVE?

Students will live either as boarders in Abbey College Manchester's boarding accommodation at Riverside House or with a host family. Students living at Riverside will be transported back to the accommodation (which is only a 15 minute walk from the college) three afternoons each week.

HOW DO I APPLY?

Please contact our International Admissions Centre who will arrange an interview and all the necessary support with the application onto the programme and with the subsequent visa application if applicable.
