Rationale

- A generic, rather than specific Examination Board approach to consolidation of knowledge and skills in preparation for GCSE Business Studies.
- This six-week range of Teacher led online sessions has been designed specifically as a 'Booster' for Year 11 pupils currently studying GCSE Business Studies.
- The lessons and associated content are constructed to improve pupil confidence with regard to aspects of examination technique.
- The content will be accessible to pupils via their Microsoft Teams account.

Link to Branding: Achieve Success Together

- Increases confidence and pupil feel supported via the small class sizes and the relationship and rapport that pupils can build with the teacher.
- Pupil access to teacher support via Microsoft Teams Monday to Friday during normal school hours.
- Refreshes knowledge and reinforces understanding of Business Studies theory and practical skills.
- Reinforces core concepts of the GCSE Business Studies examination.
