

Information about our Taxi Partner - Street Cars

If you have requested us to book your transfer from Manchester Airport to your Accommodation, it will be with our Taxi Partner StreetCars

Streetcars have desks in all three terminals in the airport. Once you have landed, collected your luggage, please make your way to the arrivals hall and the StreetCar desk where they will be expecting you.

To help you identify the correct desk, they will be displaying an Abbey College Manchester logo on their desk.

If you have any questions on arrival, please call Iain Stewart on +44 7485 705716
